

First Unitarian Society Retreat to the Woods

Registration Form - October 6-8, 2017

Join us at beautiful Baker Near-Wilderness Settlement in Long Lake, Minnesota, for a weekend of fellowship, relaxation, and renewal. You'll enjoy great food, hiking and biking trails, canoeing, nearby lakes, and a few interesting and varied workshops in a quiet and protected setting surrounded by 3,300 acres of marshes, meadows, and mature forest.

The site has a tenting area and eight log cabins. Each cabin has a wood-burning stove and eight bunk beds with mattresses. The cabins do not have electricity. There are two modern composting toilet facilities near the cabins, as well as full restrooms and a shower at the main lodge. **Baker does not allow pets.** The Settlement is about 30 minutes west of Minneapolis.
