REGISTRATION OPEN FOR CAMP UNISTAR

Could you use some R&R this summer at a beautiful spot in the woods? Camp UniStar may be the place for you. UniStar is a family camp located on a secluded island in Cass Lake, MN. It offers incredible natural beauty and the opportunity to get away from it all in the company of wonderful fellow Unitarians. There's also programming for children, youth and adults along with boating, hiking, swimming, happy hour, fabulous sunsets and many other delights. It is a terrific environment for kids and all who are young at heart.

Registration for this summer is now open. Contact [Val Garber](#) or [Jo Berkenkamp](#) to learn more, or check out campunistar.org.

Our building occupies the traditional land of the Dakota people, land ceded in 1851 by a treaty not yet honored nor fulfilled by the U.S. government. We acknowledge that the present use of this land is rooted in the exploitation of Indigenous people.
